JOIN US FOR A HIKE!

We organize hikes to Vermont's famous mountains, where we share key insights of mountaineering in the Nepal Himalayas above 6,000 meters. This includes experiences from Everest expeditions, preparation tips, fixed-line techniques, roping-up methods, guide roles, safety protocols, and essential gear. We also cover the use of oxygen, masks, and regulators.

ANG DAWA SHERPA

Mount Everest Summiteer

ABOUT ANG DAWA SHERPA

"Guiding Unforgettable Mountaineering Expeditions in the Himalayas"

Ang Dawa Sherpa, a **Guinness World Record** holder, has summited Mount Everest 10 times.

On May 14, 2019, he and his wife, **Pasang Phuti Sherpa**, set the record for the fastest couple to reach the summit in 2 days, 7 hours, and 36 minutes. With over 21 years of experience and UIAGM certification, he specializes in high-altitude expeditions across the Himalayas. Ang Dawa has climbed major peaks like Everest, Manaslu, Cho Oyu, Gyachung Khang, and Ama Dablam.
